

## News from the Learning Garden

Spring has definitely sprung in the garden. It's exploding with colour and yummy things we can cook with! Beans, zucchinis, strawberries, broad beans, snow peas, salad greens, beetroot and always spinach.

Stage 3 started their Term 4 Kitchen Garden program last week with an orientation class. Lots of keen and enthusiastic cooks and gardeners ready to start cooking this week. The schedule for the term is 6/50 on Tuesday mornings, 6/5J on Tuesday afternoons and 6/5W on Thursday afternoons.

If you think you'd be able to help in any of these time slots, please give me a call. This program needs volunteer help to work well and it's a great way to get involved in what your kids are doing at school.

We're looking forward to the P&C's upcoming event "Laugh Art Loud", not only because it will be a fun night, but also because they're raising money for the Kitchen Garden Program. There is the added bonus of hors d'oeuvres prepared by APS kids in the Kitchen Garden Program, so get your ticket and come along on Friday the 23<sup>rd</sup> of October.

If you would like to get involved in the SAKGP please do not hesitate to contact me.
