

News from the Learning Garden

This week in the kitchen, we made sushi, miso soup, soba noodle salad and pickles.

Best of the week were 2/1D's sushi rolling experts.

In the garden we managed to avoid the rain and the classes worked hard to harvest all the seed and replenish the beds ready for new planting.

And we harvested two buckets of potatoes!

HELP NEEDED

The P&C Kitchen Garden Committee is looking for a parent who'd be able to help next year with our sponsorship fundraising co-ordination. This would not involve seeking sponsorship but rather coordinating the sponsorship we do have and ensuring arrangements are carried out as required. If you're interested please talk to either Lucia or Imogen Kershaw (imogen.kershaw@det.nsw.edu.au) for further information.

If you would like to get involved in the SAKGP please do not hesitate to contact me.

Lucia Cavadini-Bell

Kitchen Garden Specialist
